From the Girls at Vintaj.

With this month's **Design Challenge**, we celebrate the beauty of the Evergreen with designs in all shades of green.

It is a symbol of everlasting life, remaining green throughout the winter, and the center of many festive celebrations.

As we enjoy this Holiday Season, we are knee deep in preparations for our first ever **CHA Show** in Anaheim California where we will introduce a beautifully presented line of NEW products along with many new and exciting ways to use Vintaj!

Happy Designing!

"Christmas waves a magic wand over this world, and behold, everything is softer and more beautiful."
