From the Girls at Vintaj.

October comes bearing many gifts. From the first colors of Autumn to the imaginative sparkle of youth as we celebrate All Hollows Eve. It is a time of year when creativity and whimsy come to life.

We love the challenge and inspiration that each new season brings and sharing it with you.

It is amazing to see how each of our introductions are met with such excitement and enthusiasm. We are absolutely in love with our new vines and their many exquisite design possibilities. We're sure you will be too! Visit our blog to see our inspiration for this month's [Autumn Splendor](#) theme.

Happy Designing!

I want to thank you for all that Vintaj has done for our business. I feel like Vintaj has become such an integral part of what we do in our store and in SpecialtyBeads.com. Definitely, one of the best things I have done was to start carrying your products.

Your incredible marketing and advertising combined with a wonderful product and well organized business not only is expanding your company, but my business as well.

So many of our orders, both retail and wholesale, include Vintaj products.

It has truly helped us in drawing new and faithful customers.

Thank you so, so much!

I hope you realize that the hard work you are doing is also helping so many others like myself!
